

SCALE BLASTER™

THE WATER SOFTENER ALTERNATIVE

APPLICATIONS

Textile Manufacturing

Textile Manufacturing Applications

Equipment cooling

ScaleBlaster will aid in lime scale deposits in cooling water channels and the cooling tower fill, pipes, tanks, pumps and valves.

Equipment that will benefit from ScaleBlaster:

- Boilers
- Heat Exchangers
- Rollers
- Transfer Lines
- Pumps
- Valves
- Meters
- Oil Separators
- Combers
- Spinners
- Weaving equipment
- Dying equipment
- Dryers
- Condensers
- Dye compounders
- Cooling towers
